

Workers' Compensation Program

Here's a **FREE** Benefit For Members!

Safety.BLR.com access through Eastern Alliance Insurance Group's Risk Management Resource Center

What makes **Safety.BLR.com** access a great benefit?

- Access to this site is normally more than \$1,200 annually – PBA Workers' Compensation Program members can access it for **free**
- Up-to-date safety news, including OSHA standard changes, large violations, current safety news, etc.
- Info on both federally-mandated and state-specific regulations
- OSHA letters of interpretation, written directives and policies, training materials, toolbox talks, SDS resources and much more
- Spanish training materials and audio presentations available
- Easy navigation, with searches available by categories, topic, and format (i.e. PowerPoints, quizzes, toolbox talks, etc.)

NAVIGATOR
Easily locate content by category and topic.

LIBRARY
Regulatory analysis, reference materials, news, and over 3.5 million MSDSs at our disposal.

TIME SAVERS
Checklists, forms, policies and written plans that will save you time.

TRAINING RESOURCES
Hundreds of customizable training solutions.

COMMUNITY
Tools to connect with other EHS professionals and issues that affect you.

NEWS
OSHA and State safety news is updated daily.

EAIG offers Program members free access to this resource through the Risk Management Resource Center on www.eains.com.

Safety.BLR.com offers an effective, efficient tool to members of the PBA Workers' Compensation Program!

Traditional Values. Innovative Solutions.
